ABOUT

Spazio36 offers an integrated service for fashion brands in the preparation phase of their fashion shows, providing modular and fully equipped studios/locations for every pre-show need.

PRE FASHION SHOW SERVICES

Our spaces are designed to support essential activities such as tailoring, e-commerce production, logistics, runway rehearsals, pricing, styling, and much more. Additionally, we offer catering services, transportation and drivers, material supply, ensuring maximum flexibility and adaptability to meet every need. Our professionalism and discretion guarantee a personalized and high-quality experience for every event.

TEMPORARY SHOWROOMS

Our spaces provide the perfect setting for hosting temporary showrooms, whether for fashion or other sectors, offering flexibility and style to showcase products in an exclusive environment. Equipped with versatile layouts and a refined atmosphere, our locations are designed to enhance your brand's vision and meet the diverse needs of your clients.

Our professionalism and discretion guarantee a personalized, top-quality experience, ensuring that each event, from setup to customer engagement, is managed seamlessly. Ideal for brands looking to create impactful and memorable experiences, our spaces make every showcase extraordinary.
